This application is to be completed for de-sexed adult dogs that meet the Breed Standard. Included Classification Report on page 3 can be completed by a Classifier.

Instructions for completing this application:

1. Please print all details clearly in block letters. No lines are to be left blank.
2. If the information is not known – write "NOT KNOWN".
3. **All applications must be accompanied by at least three (3) colour photographs; photos must show the dog in a "square on" standing profile, left and right sides and front on. The photos must show all of the dog (including legs and feet).** The dog must be 100% of the photograph with no people, animals or objects in the background or foreground. If the dog's feet are not clearly visible an additional photo of the feet is required. The photographs must be signed by the attesting veterinarian to identify the animal being recorded. These photographs will be retained permanently on the club's Database.
4. Neutered dogs and spayed bitches aged 12 months can be assessed by an MFCA classifier to be adult registered. If there are no classifiers available in your area, the vet can complete the Health Declaration.
5. The fee for Adult Registration is **\$25.00** & payment or payment details must accompany this form.
